Policy Notice

The NYSCA makes every attempt to offer programs as publicized. We nevertheless reserve the right to alter and/or adjust program details, including but not limited to dates, locations, times, instructors, and presentation sources and sequences.

CE Notice

CE provided by New York Chiropractic College.

License Renewal

While applications relating to credit hours for license renewal in selected states have been executed for these programs, it remains attendees' responsibility to contact the state board(s) from whom they seek continuing education credits for purposes of ensuring said board(s) approve both venue and content as they relate to any event.

Neither a speaker's or exhibitor's presence at said event, nor product mention or display, shall in any way constitute NYCC endorsement. NYCC's role is strictly limited to processing, submitting, and archiving program documents on behalf of course sponsors.

These courses are valid for CE credits in "pre-approved" states, so long as it falls within the scope of practice as outlined by the corresponding state board.

FAQs

What is a webinar? A live webinar is a real-time, interactive, internet based program. Live webinars are offered on, and require attendance at a specific date and time. It is recognized by NY and other selected states as a "live" presentation, and therefore not restricted under distance learning regulations.

How is my attendance recorded? ONLY initial log time will be recorded, not subsequent log-ins and a sufficient time-log is mandatory to receive CE credit.

What devices are supported? NO SMART PHONE/DEVICE CAN BE USED TO OBTAIN CE CREDIT. Should you choose to use these devices, your time log may not be recorded properly by GoToWebinar, and therefore NO CE CREDIT will be awarded.

When will my CE be processed and my transcript be available? Notification emails will be sent to attendees once a course transcript becomes available. For Sponsored courses, CE transcripts will be made available on our website within 30 days of the seminar (pending attendance verification).

*CE Pending in select states. ‡ CE Credit for select courses available for NY licensees only.

Patient Communication: Doctor, Your Words Are Powerful! Ethical Considerations During the Doctor-Patient Encounter

Thomas R. Ventimiglia, DC, FACC
10am-12pm | 2CE; 2Cat1
Sponsored by NCMIC[†]

Embedded within the art of Chiropractic, in addition to analysis, diagnosis, and technique, is the art of doctoring. Central to this uniquely human experience is the doctor-patient relationship. The application of the generally recognized elements of a good doctor-patient relationship (e.g., truthful communication, empathy, trust, helpfulness, and respect for patient autonomy) can lead to improved patient outcomes and quality health care. This lecture will focus on all elements of the doctor-patient relationship with an emphasis on communication as a core clinical competency.

Dr. Ventimiglia, a 1980 graduate of New York Chiropractic College, was the dean of NYCC's postgraduate department from until 2019.

Navigating the NYS Workers' Compensation System

Robert Martin DC
12pm-2pm | 2CE; 2Cat1[¶]

During this presentation, you will receive an over-view of the current NYS WC MTGs for the back, neck, and non-acute pain. You will also learn how to challenge a carrier's denial of your MG-2 and how to respond to a C8.1. You will also be given updates on the CMS 1500 initiative and the Chiropractic Fee Schedule. A brief Q&A will follow the presentation.

Dr. Rulli is a graduate of Palmer College of Chiropractic, the largest, and oldest chiropractic college in the world. He is presently the President of the Suffolk Chapter of NYS Chiropractic Association and has been practicing chiropractic for over 27 years.

Active Care for the Injured Worker: Chiropractic care for early and effective return to work

Rob Block, DC, DACRB & Doug VanVorst DC, DACRB
2pm-4pm | 2CE; 1Cat1

This course will educate the attendee on active management of work-related spine injuries. The focus will be on assessment, documentation, prescription and delivery of appropriate and effective active interventions to complement manipulative and manual therapies. There will be a strong focus on documenting objective measures, recording of in office active procedures, patient progress at reexaminations, and documentation of self-care programs.

Dr. Block has been in clinical practice for over 20 years and has earned an advanced degree in chiropractic rehabilitation. He is an educator and has taught classes at chiropractic institutions of higher learning for undergraduate students as well as post-graduate filed practitioners.

Dr. VanVorst is a 1986 graduate of New York Chiropractic College and specializes in Chiropractic rehabilitation. He practices in Amsterdam NY.

Navigating No-Fault Documentation: Accurate Assessments and Rewarding Reports

Lev Lewin Esq, Michael Baglio Esq,
Anthony Palumbo DC
4pm-6pm | 2CE; 2Cat1[¶]

This course will focus on documentation and record keeping standards for examination, diagnosis, treatment, reporting, and rehabilitation for patients involved in motor vehicle accidents.

Michael Baglio, Esq. is one of the founding members and partners of the law firm of Lewin & Baglio, LLP and is considered to be one of the most aggressive, respected and successful trial attorneys and litigators in the business.

Lev Lewin, Esq. is one of the founding members and partners at the law firm of Lewin & Baglio, LLP. Mr. Lewin has established himself as one of the most respected attorneys in the legal community.
