## Door Prize!

Convention participants play to win \$100 cash

This game is free for all participants and exhibitors. There is no registration requirement for exhibitors for this game. The only requirement for players is that they pre-register for the convention and be present for the drawing. That's all there is to it!

Please notify our exhibitor liaison if your exhibit will be hosting a drawing or raffle. At your request, your winner may be announced

## Exhibit Hall Scavenger Hunt

**\*\*EXHIBITOR REGISTRATION REQUIRED\*\***

Convention participants play to win a \$100 Amex Gift Card. This fun game is also free for all attendees and Exhibitors.

Exhibitors who wish to participate in the scavenger hunt should submit questions to be incorporated into the scavenger hunt. These questions are basically information the exhibitor wants each attendee to know about their product or service. For example a fitness company might submit the question: "How long does a workout have to be in order to be effective?" Think about the key points you wish to communicate to booth visitors.

Drawings will take place in the General Session on Saturday following the afternoon break.

The NYSCA is governed by a democratically elected Board of Directors and House of Delegates. All governing officials are licensed Chiropractors who volunteer their time and efforts and pay full membership dues. Many of these officials also serve on committees, often more than one, which are tasked with specific projects as needs arise. Further, New York State is divided into seventeen regional districts, each having its own elected officials and hosting monthly meetings and events. Each active district has representation in the House of Delegates to ensure that the voice of each of our members is heard.

# Exhibit Policies and Procedures

The policies and procedures listed herein are not intended to unduly restrict exhibits as to either design or utility. The spirit in which the rules are presented is to create and maintain an open atmosphere on the exhibit floor. In designing exhibits, good judgment and consideration for neighboring exhibitors and attendees should be primary objectives.

**Exhibit Objectives.** Exhibitor exhibits are intended to supplement the professional instruction, classes and meetings convened by providing attendees with exposure to various types of products, services and information.

Exhibitors are expected to display their products and/or discuss their services with awareness of the professional and practical needs of the event attendees. Exhibits will be limited to those entities offering materials, products, or services of specific interest to registrants.

The NYSCA reserves the right to determine eligibility of any product or service for display. All exhibiting organizations are subject to a vetting process prior to being approved to participate in NYSCA events. The NYSCA reserves the right to decline space to any applicant which, in the opinion of the NYSCA, may not comport with the enabling and licensing laws of New York or the local jurisdiction in which the event is convened, or is unlikely to contribute to the overall objectives of the conference.

**No Endorsement.** The privilege granted to the Exhibitor herein do not constitute an endorsement of the Exhibitor's products or services and may not be used to imply that the NYSCA endorses the Exhibitor's products or services.

**Logo/Trademark.** Exhibitors and their agents and representatives agree that no logo or trademark owned by the NYSCA shall be used in any advertisement or publication without the prior, express written consent and approval by the NYSCA as to form and use. Any unauthorized use of any NYSCA copyright, trademark, name, logo, or symbol may be grounds for legal action by the NYSCA against an advertiser/Exhibitor.

**Disclaimer.** While the NYSCA hopes and desires that the event be successful for the Exhibitor, the NYSCA specifically disclaims any warranty or assurance with respect to success of the event from the Exhibitors point of view, or the end-result for the Exhibitor.

**Contract for Space.** The enclosed application for exhibit space, the full payment of application fees, and the confirmation notices of the space assigned by the NYSCA, together constitute a contract for the privilege of using the space allotted.

Applications should be submitted promptly and must be accompanied by payment in full. The NYSCA reserves the right to refuse any incomplete Exhibitor application or an application that is not accompanied by payment in full.

**Cancellations.** If an Exhibitor wishes to cancel this application and agreement, the Exhibitor may only do so by sending notice of cancellation in writing (email is permitted) to [controller@nysca.com](mailto:controller@nysca.com). Cancellation email must be acknowledged and confirmed by the NYSCA before cancellation is considered final.

Cancellations received more than 12 weeks prior to the start of an event are subject to a 0% cancellation fee. Cancellations requests received less than 12 weeks prior but more than 4 weeks out from the start date of the scheduled event shall be subject to a 50% cancellation fee. No refunds will be provided for cancellations received less than 4 weeks prior to the start of the event. The date of cancellation shall be the date the notice is received by the NYSCA at the address above.

**Exhibit Space Specifications.** Each 8'x10' booth space includes one 8' high back drape, two 3' high side drapes, one 6' skirted table, two folding chairs and one 7"x44" booth ID sign. Show colors are Blue and White. The Exhibit Hall is carpeted. If the Exhibitor needs to tape anything to the carpet, only removable gaffers' tape may be used.

**Location of Exhibits.** The NYSCA must receive payment in full to reserve any exhibit space. The NYSCA endeavors to honor exhibit location requests where possible; however, the NYSCA cannot guarantee placement. The NYSCA reserves the right to make the final determination of all exhibit space assignments.

The NYSCA reserves the right to change space assignment after the acceptance of the application or to alter the location of exhibits shown on the official floor plans as it deems advisable, and in the best interest of the Exhibition.

Exhibitors should be aware that the exhibit space and layout is negotiated between the NYSCA and the venue. Therefore, the venue owner has the right to modify exhibit space conditions and layout at any time. If something unforeseen occurs at the venue beyond the control of the NYSCA, Exhibitors may need to exercise some flexibility in the space and location assigned.

**Installation & Dismantling.** Exhibits may be installed in the area designated between 11:00am-1:30pm on Friday. All exhibits must remain fully intact until the exhibition has officially ended. All exhibits and accompanying supplies must be dismantled and removed from the exhibit area by 8:30pm on Saturday.

In the event any Exhibitor fails to remove their exhibit in the allotted time, the NYSCA reserves the right, at the Exhibitor's expense, to ship the exhibit through a carrier of the NYSCA's choosing, or to place the same in a storage warehouse subject to the Exhibitor's disposition or make such other disposition of the property as it may deem desirable without any liability to the NYSCA.

**Unclaimed Space.** Any space unclaimed by 12:30pm on the date the event begins may be reassigned without refund of rental paid; the NYSCA will not be liable for any expense incurred by the reassignment.

**General Restrictions.** (A) No Exhibitor is permitted to display or demonstrate goods other than those manufactured or handled by the Exhibitor or its representatives in the regular course of business. (B) No firm, person or organization who is not assigned space in the exhibit hall will be permitted to solicit business in any manner within the exhibit area. (C) Multiple violations may result in removal from or denial of access to NYSCA-sponsored meetings, events and activities without refund of any applicable registration fee or other costs to the Exhibitor.

**Exhibitor Representatives.** Each Exhibitor must name at least one person to be the official on-site representative and responsible party. The official representative will receive all relevant materials related to the event. That representative shall be authorized to enter into contracts necessary for fulfillment of obligations to the NYSCA and to other contractors and subcontractors.

All booths must be staffed by the Exhibitor during all open show hours. At all times during show hours, each Exhibitor or representative shall wear an identification badge furnished by the NYSCA. The NYSCA may limit the number of booth representatives at any time.

**Attire and Conduct.** Attire is expected to be consistent with the professional atmosphere of the NYSCA event for all days and functions. The NYSCA reserves the right to determine whether the character and/or attire of booth personnel is acceptable and in-keeping with the best interests of all parties and attendees.

The Exhibitor shall conduct and operate its exhibit so as not to annoy, endanger, or interfere with the rights of other Exhibitors and visitors. Any practice resulting in complaints from any other Exhibitor or any visitor which, in the opinion of venue management, interferes with the rights of other venue attendees, or exposes venue attendees to any annoyance, nuisance or danger, may be prohibited by the venue management, and may be grounds for expulsion of the Exhibitor from the venue without refund.

**Use of Exhibit Space.** No Exhibitor shall assign, sublet, or share the whole or any part of their space allotted without written consent of the NYSCA and approval of the terms thereof. Except for *bona fide* Exhibitor parent companies or subsidiaries, Exhibitors are not permitted to feature names or advertisements of non-exhibiting manufacturers, distributors, or agents in the Exhibitor's display.

The Exhibitor is responsible for maintaining the cleanliness and good order of their assigned exhibit space for the duration of the event. Any debris resulting from shipping, giveaways, or packaging must be cleared away by the Exhibitor.

**Exhibit Arrangements.** All exhibits must be arranged so as not to obstruct the general view or hide the exhibits of other Exhibitors. No display material exposing an unfinished surface – such as the backside of a tall display positioned against a side rail blocking the view to a neighboring booth or aisle -- to neighboring booths or an aisle will be permitted.

**Obstruction of Aisles or Booths.** No exhibit, display or advertising will be extended beyond the space allotted the Exhibitor, or above the back and side rails of the display area. Any demonstration or activity that results in obstruction of aisles, or prevents ready access to nearby

booths, shall be suspended for any periods specified by the NYSCA.

**Signs / Banners.** Any signs and banners hung in the venue must be professionally made. Hand-made signs are not permitted. No signs or banners may be hung from or on the venue walls, air walls or venue doors.

**Food and Beverage.** Exhibitors may distribute only those food and beverage samples which are man-ufactured or handled by them in the regular course of the Exhibitors business. With safety in mind, we ask that all Exhibitors limit the number of touch points between the samples and attendees. Food and/or beverage samples require approval and MUST be prepackaged, wrapped, or sealed options adhering to the sample sizes listed below.

- Food: All food samples should be bite-size.
- Beverages: Not more than four (4) ounces.

**Exhibitors are expressly prohibited from serving beer, wine, spirits, or alcoholic beverages of any kind or size from their booth.** All other food and beverage must be provided by the Venue and must be distributed only within the Exhibitor's booth. Please consult the NYSCA convention coordinator for assistance.

**Giveaways.** The distribution of samples, souvenirs, publications, or other sales or sales promotion activities must be conducted by the Exhibitor only from within the exhibit booth. The distribution of any articles that interferes with the activities in, or obstructs access to, neighboring booths or the aisles, is prohibited.

Handout materials are to be straightforward, professional, and non-combative in nature. Small token gifts that are not worn or displayed and may be carried in the pocket, are acceptable and may be distributed from the exhibitor's booth without prior approval. It is the responsibility of the exhibitor to receive prior approval for any handout/novelty item that may be questionable in nature.

**Direct Selling.** If an Exhibitor engages in on-site transactions, the Exhibitor will be responsible for complying with all federal, state, and local laws regarding sales taxes and any laws that may pertain to such sales.

The Exhibitor must receive approval from the NYSCA for any intended group functions.

**Security:** The exhibit area may not be in a secure area of the venue. The venue's management will take reasonable precautions to safeguard the exhibit area, however, the NYSCA and the venue will not be liable for loss of or damage to property of the Exhibitor, or the Exhibitor's agents, representatives or employees from theft, fire, accident, or any other cause beyond the NYSCA or venue's control.

Neither the NYSCA nor the venue assume any responsibility for unclaimed Exhibitor materials that remain in the exhibit area after the event closes, including but not limited to equipment, signage, displays, promotional materials, etc.

Proof of such insurance, including a Certificate of Insurance, shall be provided to the NYSCA Convention Coordinator as soon as practical but in no event more than three (3) calendar days after request, time being of the essence.

**Default.** If the Exhibitor defaults on any of its obligations

under this agreement, or violates its obligations or covenants under this contract, the NYSCA may, without notice, terminate this agreement, and retain all monies received on account as liquidated damages. The NYSCA may thereupon direct the Exhibitor forthwith to move its employees or agents and all of its articles of merchandise and other personal property from the exhibit space from the event venue.

**Force Majeure and a Failure to Open Exhibition.** In the event that any portion of the venue premises shall be destroyed or damaged, or if the NYSCA exhibition fails to take place as scheduled or is interrupted and/or discontinued, or access to the premise is prevented or interfered with by reason of any strike, lockout, injunction, act of war, act of nature or of God, act of terrorism, emergency declared by any government agency, or for any other reason, this contract may be terminated by the NYSCA. In the event of such termination, the Exhibitor waives any and all damages and claims for damages and agrees that the sole liability of the NYSCA shall be restitution of the Exhibitor space payment, less any pro rata share of all costs and expenses incurred and committed by the NYSCA up to that point.

**Resolution of Disputes between Exhibitors or Contractors.** When an Exhibitor contacts the venue or third-party contractor, the Exhibitor should record the name, title, and extension of the individuals you spoke with, and the conversation or discussion should be memorialized in a memorandum.

In the event of a dispute or disagreement between Exhibitor and the venue or third-party contractor, or between two or more Exhibitors, the NYSCA shall mediate the dispute; interpret the rules governing the exhibition and disagreement; and any action or decision by the NYSCA regarding the dispute or disagreement shall be binding on the Exhibitors subject to the disagreement or dispute. Claims will not be considered unless filed by Exhibitor prior to the close of the exhibition.

**Dispute Resolution.** In the event of a dispute between an Exhibitor and the NYSCA, notwithstanding the venue's location, all claims and disputes arising under or relating to this Exhibitor agreement are to be settled by binding arbitration in the state of New York. The arbitration shall be conducted on a confidential basis pursuant to the Commercial Arbitration Rules of the American Arbitration Association. Any decision or award as a result of any such arbitration proceeding shall be in writing and shall provide an explanation for all conclusions of law and fact and shall include the assessment of costs, expenses, and reasonable attorneys' fees. Any such arbitration shall be conducted by an arbitrator in the New York State Bar Association Dispute Resolution Section or an arbitrator in the New York State Dispute Resolution Association, Inc., experienced mediating disputes and who shall include a written record of the arbitration hearing. The [NYS Unified Court System](#) has committed itself to the appropriate use of [mediation](#) and other forms of [alternative dispute resolution](#) (ADR) to resolve disputes and conflicts between parties peacefully.

**Indemnification.** The Exhibitor assumes responsibility and agrees to defend, indemnify and hold harmless the NYSCA and the event venue, its owners, managers, officers or directors, agents, employees, subsidiaries and affiliates from any damages or charges resulting from or arising from or out of the Exhibitor's presence at the NYSCA event or use of the venue's property.

**Rules and Contract.** The NYSCA has endeavored that the rules herein have been developed to protect the interests of all concerned and that these rules become a part and parcel of the agreement between the Exhibitor and the NYSCA. All matters and questions not covered by these rules are subject to the decisions of the NYSCA.

**Amendment to Rules.** Any matters not specifically covered by the proceeding rules shall be subject solely to the decision of the NYSCA. When it comes to interpreting Exhibitor agreements and any amendments related thereto, or enforcement of any Exhibitor rules or policies, the Exhibitor agrees that the NYSCA authority in this regard shall be plenary.

**Agreement to Rules.** Exhibitor, for themselves, and on behalf of their employees and representatives, agree to abide by the rules incorporated herein, and by any amendments to these rules that may be put into effect by the NYSCA.

**Questions.** Any questions concerning your exhibit, other exhibiting events, or any event problem should be directed to the NYSCA Convention Coordinator at [controller@nysca.com](mailto:controller@nysca.com).
